- > Memory Game
- > Snap

+++++

Memory Game

(2 or more players)

- > Place the cards face down in three rows of ten.
- > Each player turns over 2 cards.
- > When both cards are the same, the player keeps the pair and has another turn.
- > Play until all cards have been matched.
- > The player with the most pairs wins.

Snap

(2 or more players)

- > Divide the pack evenly between the players.
- > Each player takes turns to place a card face up on the table.
- > When two cards are the same the player to say snap first wins the cards.
- > Play until one player has all the cards.
